Public Quality Policy

This policy is valid for all Diab Group units and companies.

Diab Group vision is to be the number one in structural core globally by providing stronger, lighter, and smarter composite solutions, realizing a more sustainable world.

Quality Objectives

- We shall provide the best, most competitive, and innovative products, services, and solutions to our customers.
- We shall exceed our customers' expectations on product performance and fulfil all relevant legal and regional requirements.
- We shall be regarded as a "high performance partner" by our customers.
- We shall achieve a best-in-class control of our processes, based on a "safety first" and "zero-loss" mind-set.
